The iSeries vs i5 is confusing as there are so many versions of each. Can anyone tell me which one is the right choice for me, to match my laptop or should I just stick with a Macbook Pro? A: There's no right or wrong answer as long as it works for you. Different people have different needs and requirements. (It's worth noting that Apple's recommendation (from their online store) are the latest and greatest. But it's worth noting that they're not necessarily the best suited for you, and you may well be able to find an OS X install disc to install an older version of OS X.) tag:blogger.com,1999:blog-6925431266013737692 .post849229705778945044..comments2016-12-09T17:20:56.394-08:00Comments on The Left Flank: *All-Day Event*Saturday November 2nd, 2010: Veterans Day *Saturday* 11/2/10Curtis Spitznagle that serve are honored.
