Now that's what we call smart! Developed by: TJ Photo Reviews: 9 Average Rating Image Cartoonizer Premium (2018) 5.0 5 35 35 OUTSTANDING I've never used software to create cartoon images of my photos. And I can say that I was a little skeptical of this program, but the results are impressive! The possibilities are endless! August 14, 2018 Awesome App! We use this app to make cartoon images of our customers' photos. They can go to the image gallery and add the effect they like to their own photos. It's a great tool for any type of business. July 13, 2018 Amazing This is the best tool for cartoon creation! It makes easy job and it's fun to do! I especially like the 'Mulatto' Effect :) May 11, 2018 I do not like it The funny thing is that I have used a free version of the application and had no problem with it. It was so easy, I have decided to upgrade. When I did, the app crashed on my tablet. I am disappointed. Will not be using again. April 6, 2018 Cute but... Lots of bells and whistles but no clear instructions.

What's New in the?
